

Press Release: OFFICIAL PURPOSE STATEMENT - Stephen O. Enike-Matthew, PhD.

Dr. Stephen O. Enike-Matthew, PhD is a Self-Discovery, Organic Wealth Creation & Total Transformation Expert and Sustainable Business Strategist,

My purpose is to help people unlock their innate potential and prove that nothing is impossible; no matter your background, gender, geographical limitations or where you start from.

I am on a mission to help leaders and entrepreneurs see and believe in what's possible, build wealth that's sustainable and organic, and create total transformation in life and business without limits.

CORE PILLARS OF MY PURPOSE

Everything I do sits under these 3:

1. Self-Discovery - Helping people see who they are + what they're capable of becoming and achieving
2. Organic Wealth Creation - Equip them with the knowledge on acquiring assets, skills, systems that grow naturally
3. Total Transformation - Shifting mind-set, building sustainable businesses, and life alignment for sustainability

THE VEHICLE

That is why I host The Paradigm Shift Conference, to fulfil and multiply this purpose. Through my books, online teachings, recordings, conferences, workshops, and other events; I pass this message to a global audience and community.

THE GOAL/STRATEGIC OBJECTIVE: GLOBAL + IMPACT FOCUSED

To develop and deploy the next generation of transformational leaders across industries and nations. Leaders committed to sustainable growth, disruptive innovation, and organizational resilience.

To equip the next generation of leaders with the mind-set, systems, and skills to build sustainable businesses, foster innovation, and strengthen organizations for national transformation.

HOW WE WILL DO IT

We're raising the next generation of leaders to:

1. Build Sustainable Businesses - Organic wealth, systems, and assets that last
2. Foster Innovation - New ideas, new solutions, new standards for the decade and beyond
3. Build Resilient Organizations - Teams and structures that thrive in any economy
4. Drive National Transformation - Leaders who impact industries, communities, and nations

The catch:

Discover You. Grow Wealth. Transform Everything. Your Background is Not Your Boundary. No Limits. Just Possibilities.

This is your special invitation to be part of the shift.
